

iMs WinTOX 6

Total Laboratory Management

Whether handling the workload of small laboratories or thousands of specimens per day, WinTOX 6 is the only laboratory information management system that you will ever need.

WinTOX 6 integrates all of your laboratory's operational and administrative needs, enhancing efficiency and maximizing productivity.

Who May Benefit?

- ◆ Independent Testing Laboratories
- ◆ Drug Testing Laboratories
- ◆ Parole and Probation Programs
- ◆ Drug Courts
- ◆ Correctional Facilities
- ◆ Police and Sheriff Departments
- ◆ Employer Reference Laboratories

Streamlines Workflow Through:

- ◆ Rapid Order Entry
- ◆ Easy Approval of Results
- ◆ Comprehensive Reporting

Provides Full Integration With:

- ◆ Outside Laboratories
- ◆ Off-Site Facilities
- ◆ Treatment Centers
- ◆ Third-Party Providers

When a client or sample shows up at the lab for drug screening, the entire process – from the client/sample intake through testing the sample and reporting the results – is tracked and managed by WinTOX 6 laboratory information management system.

WinTOX Highlights

- ◆ User-friendly interface and intuitive design
- ◆ Provides full integration of information with outside laboratories, off-site facilities, treatment centers and third-party providers
- ◆ Password authentication to control users' access to information
- ◆ Audit trace of all user activity within the system
- ◆ Automatic reporting of results to clients on or off-site
- ◆ Full integration with case management systems for prompt transmittal of drug screen results
- ◆ Optional modules expand WinTOX capabilities to include Online Results and Reporting, and Remote Order Entry

iMs WinTOX 6 Highlights

- ◆ Streamlined Workflow
- ◆ Reduced Paperwork
- ◆ Increased Accuracy of Data
- ◆ Increased Profitability
